

The University of Maryland University College Inn & Conference Center by Marriott

We are very excited about returning to last year's location. The University of Maryland University College (UMUC) Inn & Conference Center was designated the country's first environmentally friendly hotel and conference center. Granted Leadership in Energy and Environmental Design (LEED) certification by the U.S. Green Building Council, the Inn and Conference Center addition, owned by UMUC and managed by Marriott, is both the hospitality industry's first "green," or LEED-certified, hotel and the first LEED-certified hotel/conference center in the United States. There is a large on-site parking garage with very reasonable rates (at press time: \$1 per hour to a maximum of \$6 per day).

Please do not phone the UMUC Inn for information about the Expo. See www.NaturalLivingExpo.com or call Pathways at 240-247-0393.
