

PATHWAYS SPRING 2026 EXPO!

Welcome Pathways Community!

It's our honor to bring together all the amazing exhibitors and speakers who make up the backbone of the Natural Living Expo, but it's the attendees — YOU — who are the beating heart of this event. Everyone is welcome as we gather on this day of peace, love and collective, radical joy. We're so glad you're all here!

We're grateful to our participating vendors and workshop presenters, all of whom graciously share their products, passions and expertise — get enlightened and educated, and don't forget to support these businesses now and going forward. We want you to shop, network, learn and connect with one another.

We're also excited to welcome back The TiMa Group who brings you The Decompression Den, a sensory-aware sanctuary for anyone and everyone who needs a nervous system reset, a moment of serenity from the expo buzz, or an inviting spot for intentional self care. Visit them to chill.

And don't forget to stop by the Pathways table to learn about our print & online advertising options, our retreat center, and to pick up your FREE TOTE BAG and other giveaways (*limited quantity, while supplies last*).

The Expo is a safe space, inclusive and wonderfully diverse. Our collective coherence brings the energy and light sorely needed in these turbulent times so we can recenter and get grounded. Enjoy the event, be kind to everyone, protect our Mother Earth, and pray for peace.

With heartfelt gratitude,
Erin, Michelle, Amaya and Bailey

Wonderful Wellness | #80

As a highly skilled medical medium & clearing practitioner, I can visually see inside your physical body and deep within you to unfold and clear the driving forces that support what's causing issues in your life. During these sessions, I remove and clear past life imbalances, patterns, trauma, thought forms, entities, and other factors causing known and unknown issues. If you have anxiety, PTSD, or physical illness you are not happy with, I work to clear the driving factors. In the first 25 seconds of the session, I clear your chakras and your fields before going deeper and looking in your physical and soul bodies. When the session is over, I provide specific details about what was discovered and cleared; I share what information came forward specifically to help guide your path forward in addressing issues in your life. This info and clearing is most often life-changing.
