PATHWAYS FALL 2026 EXPO!

Welcome Pathways Community!

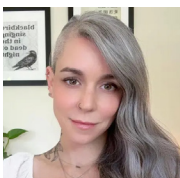

We are delighted to gather all our favorite people — the amazing exhibitors, speakers and attendees — who make up the Pathways Natural Living Expo. Everyone is welcome as we come together on this day of joy, discovery and community celebration. We're so glad you're all here!

Our participating vendors and workshop presenters graciously share their products, passions and expertise, and we are so grateful. Get enlightened and educated, and don't forget to support these businesses now and going forward. We want you to shop, network, learn and connect with one another.

We're also excited to welcome back The TiMa Group who hosts The Decompression Den, their sensory-aware sanctuary for anyone and everyone who needs a nervous system reset. And new to our show is Sacred Resonance - an immersive experience combining Yoga, Reiki and live Didgeridoo Sound Healing. Be sure to check out these wonderful additions to our event.

Make sure to stop by the Pathways table to learn about our print & online advertising options, our retreat center, and to pick up your FREE TOTE BAG and other giveaways (*limited quantity, while supplies last*).

The Expo is a safe space, inclusive and wonderfully diverse. Our collective coherence brings positive energy and radiance to brighten these unprecedented times so we can recenter and get grounded. Enjoy the event, be kind to everyone, protect our Mother Earth, and work for peace.

With heartfelt gratitude,
Erin, Michelle, Amaya and Bailey

As a highly skilled medical medium & clearing practitioner, I can visually see inside your physical body and deep within you to unfold and clear the driving forces that support what's causing issues in your life. During these sessions, I remove and clear past life imbalances, patterns, trauma, thought forms, entities, and other factors causing known and unknown issues. If you have anxiety, PTSD, or physical illness you are not happy with, I work to clear the driving factors. In the first 25 seconds of the session, I clear your chakras and your fields before going deeper and looking in your physical and soul bodies. When the session is over, I provide specific details about what was discovered and cleared; I share what information came forward specifically to help guide your path forward in addressing issues in your life. This info and clearing is most often life-changing.
